1. **individually**: **come up with 2 ideas** for activities that answer the design brief, on 2 different papers. - 2 min

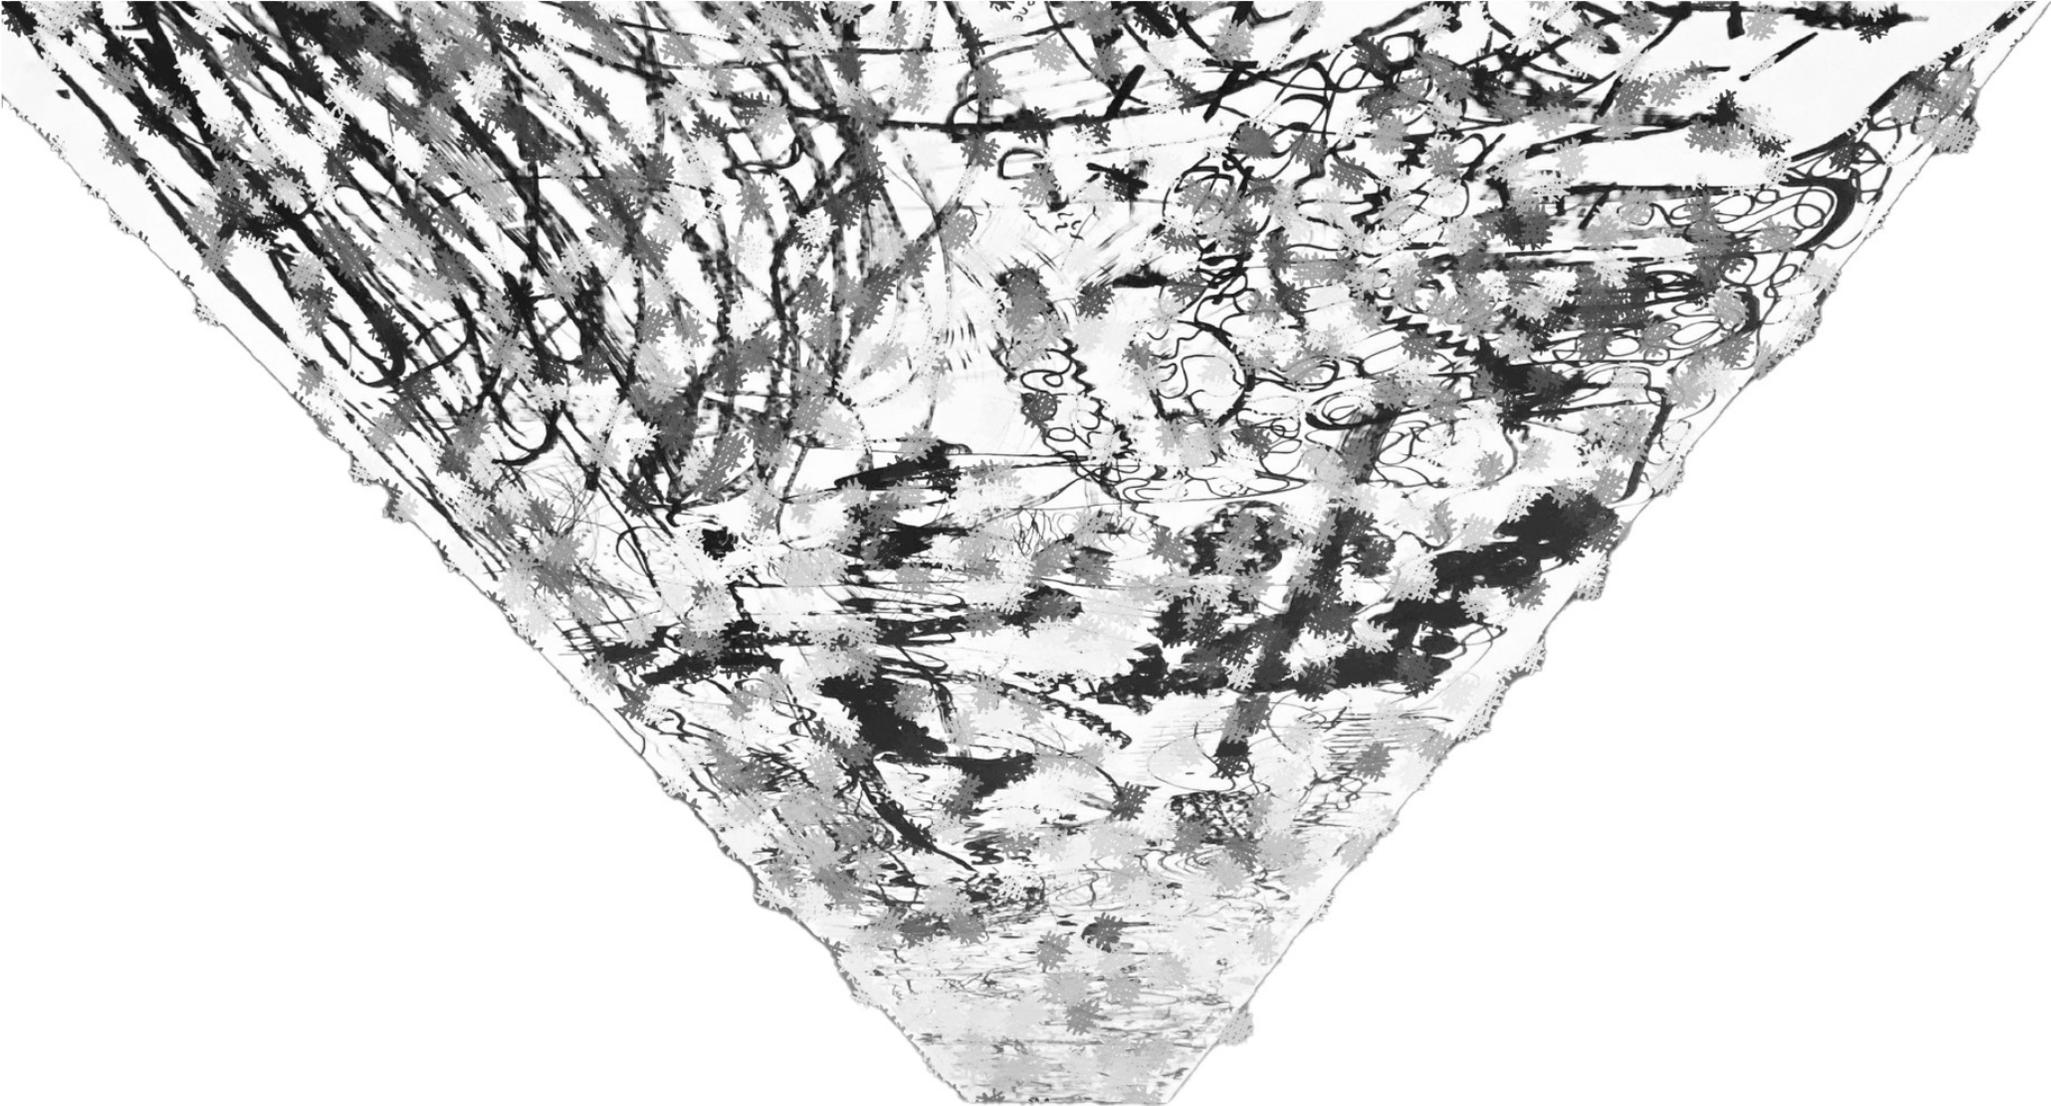

2. **Rotate the ideas** : Give your ideas to the person left from you.

3. **Add**: Make the idea of your team member even better, crazier, more absurd. No limitations, everything is possible. - 2 min

4. **Rotate** again and add again until you get your own ideas back. - 4 min

5. **Discuss** all ideas with the group - 8 min

**Choose** the one you like the most and write it down on your worksheet under *Prototype- best idea.* - 2 min

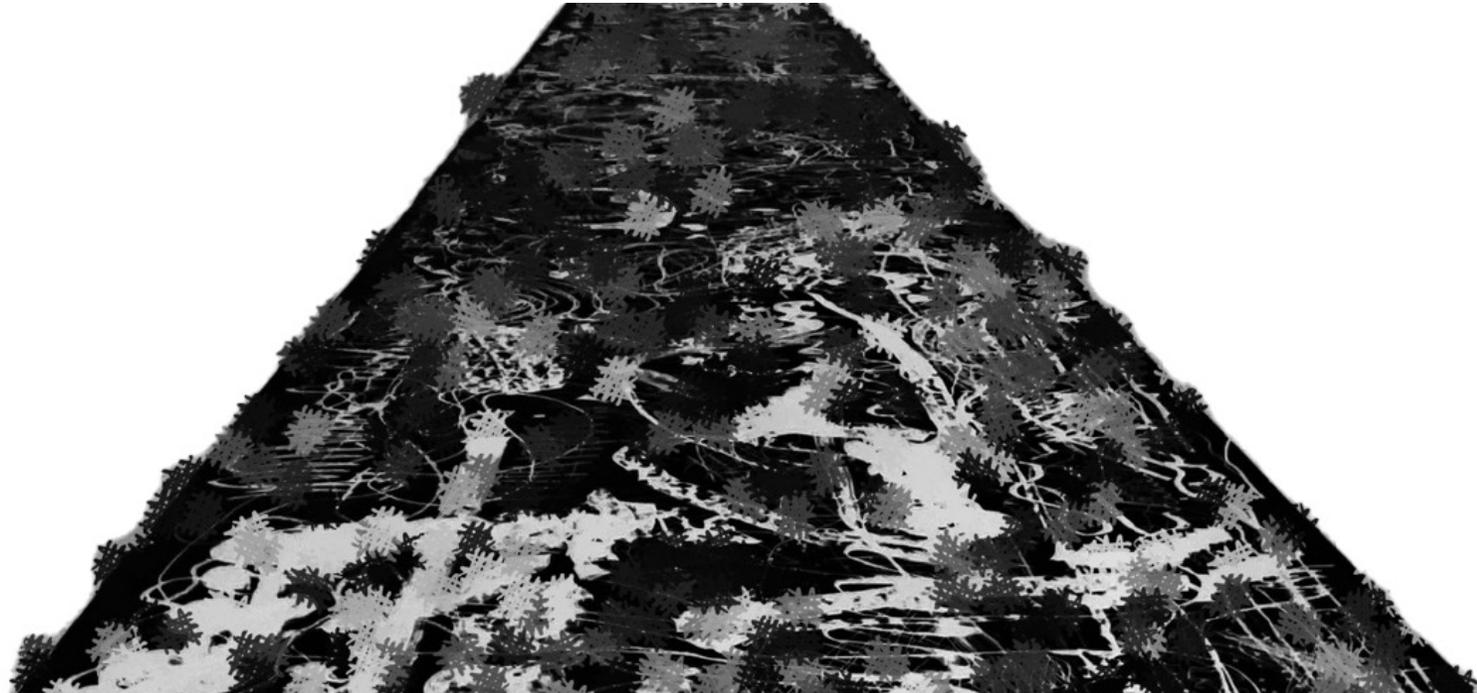

**rapid prototype**
